Seller App Disclosure — Differential Treatment towards Buyer Apps

ONDC Network Participant | Domain: Logistics (B2C) / ONDC:LOG10 | Role: Seller NP (ISN/BPP)
Version 1.1 | Effective date: 19 August 2026

We, Wheeley (FleetOnClick India Private Limited) ("Wheeley" / FleetOS), as a Seller Network Participant on the ONDC Network, hereby declare our commitment to uphold the principle of:

- (i) equal and non-differential treatment of all Buyer Apps in terms of:
 - (a) responding to the search requests raised by the Buyer Apps;
 - (b) providing the Buyer Apps with the same transaction terms provided by sellers to us; and
 - (c) providing the Buyer Apps with the same catalogs or features provided by sellers to us;
- (ii) transparency, fairness and unbiased interactions as our foremost priority.

Wheeley does not offer preferential ranking, exclusive catalog access, preferential pricing, or exclusive transaction terms to any specific Buyer App on the ONDC Network. Any technical constraints (rate limits, city coverage, capacity) apply uniformly.

This declaration may be updated based on ONDC Network policy or technical changes.
